

I am appalled by Sinclair Broadcasting's attempt to influence the 2004 Presidential Election.

Sinclair is obligated by law to serve the public interest. Pre-empting regular broadcast, requiring local stations to show their so-called documentary without allowing equal time for a Democratic documentary is just plain wrong. Who is really controlling our media? It is not the American way. Please consider this a direct complaint to the FCC against Sinclair Broadcasting.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
